

AMENDMENTS TO THE CLAIMS:

This listing of claims will replace all prior versions, and listings, of claims in the application:

LISTING OF CLAIMS:

1. – 20. (Canceled)

21. (Previously Presented) A method for combating signs of cutaneous aging or aging of the hair follicles of an individual subject in need of such treatment, comprising topically applying thereon, for a period of time sufficient to lessen the signs of cutaneous aging or aging of the hair follicles, a composition consisting of (i) an effective amount of at least one glucosylated hydroxystilbene compound as the active principle, (ii) one or more usual cosmetic or pharmaceutical additives and (iii) a physiologically acceptable medium therefor.

22. (Previously Presented) A method for increasing the radiance of the skin of an individual subject in need of such treatment, comprising topically applying thereon, for a period of time sufficient to increase the radiance of the skin, a composition consisting of (i) an effective amount of at least one glucosylated hydroxystilbene compound as the active principle, (ii) one or more usual cosmetic or pharmaceutical additives, and (iii) a physiologically acceptable medium therefor.

23. (Previously Presented) A method for smoothing the facial skin of an individual subject in need of such treatment, comprising topically applying thereon, for a period of time sufficient to elicit a smoothing effect on the facial skin, a
